## WHO WE ARE

The Huntington Harbour Philharmonic Committee is one of 23 committees supporting the PHILHARMONIC SOCIETY OF ORANGE COUNTY, the county's oldest non-profit music organization. Our mission is to foster, promote and increase the knowledge and appreciation of the arts by the residents of Orange County through the presentation of performances by musical artists of national and international stature and the development and implementation of a wide variety of music education outreach programs.

More than a quarter of a million Orange County students, from kindergarten through high school, participate yearly in the Youth Programs provided by The Committees of the Philharmonic Society. The volunteers of The Committees create, provide and fund an extensive array of programs. Over 1,500 presentations are offered by professional musicians and trained docents at no charge to all public and private schools in the county.

There are five groups in the Huntington Harbour Philharmonic Committee: Admiralty, Islander, Sandpiper, Trinidad and Marina-Windjammer. Each member volunteers time with the Youth Programs and with fund raising. The reward is seeing our young people light up to the sights and sounds of music.

Our main funding project is the annual December Cruise of Lights®. This holiday season, we are encouraging all our neighbors around the Harbour to decorate their homes and participate in the decorating contests so that we can carry on the spirit of the Cruise of Lights®. Thank you for your continued support for our music education programs.
